

Nguyễn Văn Mão

Fontend / PHP Developer

Date of birth: Dec 29, 1989

Gender: Male

Phone: 0935319121

Email: nguyenmao.2912@gmail.com

Address: 93 Ho Han Thuong Street, Son Tra District, Da Nang, VietNam.

OBJECTIVE

My short term goal is to find a position where I can use the knowledge and strengths that I have. I want to partake in the growth and success of the company I work. My short term goal is to grow as a leader or manager in 3-5 next year. My goal is to always perform at an exceptional level. But a short term goal I have set for myself is to implement a process that increases work efficiency. I wanted to create products with technologies that can help to society.

Now I'm learning Japanese and my goal have to get N5 JLPT Japanese in July this years. Now I'm looking for a job with ASP.Net developer or PHP developer in Japan and I want to the company will training Japanese for me.
